

We want to include you in our prayers and arrange for pastoral visits.

Please notify the church office ([858-487-2225](tel:858-487-2225) or Erin@godamong.us) as soon as possible when:

- a member of your family or someone important to you has died
- you or someone you know is ill, grieving, or in the hospital
- you or someone you know could use a helping hand or a listening ear
- you or someone you know wants to plan a baptism, wedding or other celebration
- you have a change of address, telephone numbers, or e-mail addresses

If you have an emergency, please call one of the ministry staff members on our cell phones.

What's an emergency?

- you or a family member is in the emergency room seriously ill or injured
- you or someone you know is suicidal or homicidal (please also consider calling 911!)
- someone important to you has died unexpectedly

You Are Important To Us!

PLEASE enter our contact information into your cell phone's address book so you can be sure to find it (and make sure your kids have our info too!)
