

Illumination is ILC's Youth Choir for middle and high school age kids. They meet on Sundays from 5:30 - 6:15pm in the Music Room. Dinner is provided before the kids head off to Link.

The group sings during services on the first Sunday of each month. They also participate in special programs throughout the year.

All of our Youth Choirs are led by a credentialed music teacher and emphasize fun while learning about music.

If your child would like to participate, attend the next rehearsal or contact [Beckie Steller](#) for more information.
